Wonde Testing School

Enrolled Learners **972**

Average Change in RH Age **0 Y & 0 M**

Books Read This Year **18**

Select Class

Class Name	Teacher	Action
1 10	Vincent Stockill	...
1 10A	Mark Lubbock	...
1 10B	Ann Zelinskova	...

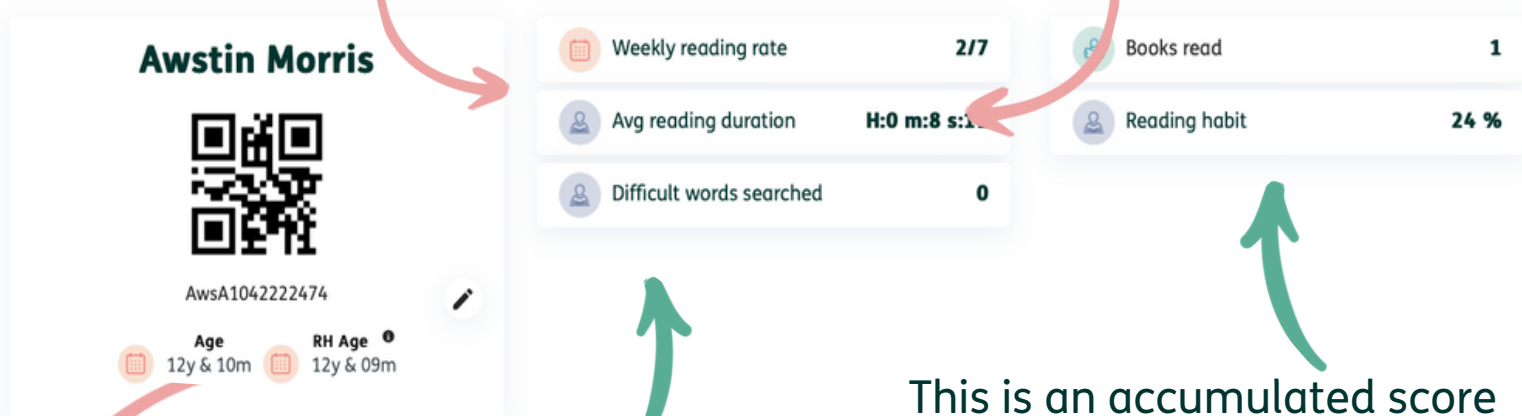

A list of all your classes with access to Reading Hub accounts

This is the total number of eBooks your school has read since they started using Reading Hub

Understanding the learner dashboard

Number of days the learner has read this week

The average time your learners take to read a page

How many words your learners are getting definitions for during their reading sessions

This is an accumulated score that will continue to grow the more your learners read

An innovative and alternative age calculated by our unique algorithm using micro-adjustments from learner inputs.

Tip: if learners reading duration is only a few seconds, they may be skimming and not reading properly
