What is Reading Hub?

Reading Hub is a combined eBook library and dynamic reading platform. Our school will be using Reading Hub to support learners to read for pleasure across school and home.

What steps do teachers need to take?

- 1 Ensure that the Reading Hub Learner App is installed on your classroom devices
- 2 Log in to your desktop Teacher dashboard using your Login details
- 3 Download your class logins and distribute these to your learners and their parents/carers

Any questions?

Our Reading Hub Admin account holder is:

Copy this text into communications with your teachers to give an overview of Reading Hub

Reading Hub is a combined eBook library and dynamic reading platform. Our school uses Reading Hub to support every learner to read for pleasure, both in school and at home.

You will receive an email invite from our Reading Hub Admin account holder with your username and password.

Visit <https://bookshop.readingmate.co.uk/teacher/teacher-login> and enter your login details to get started.

For support with Reading Hub, visit <https://resources.readinghub.com/> or speak with our Reading Hub Admin account holder.
